The Shelton State Community College Foundation is a private 501(c)(3) nonprofit corporation established in 1984.

The Foundation is separate from the college, but it is designed to provide support for the college. In 1995, C.A. Fredd State Foundation was merged with the Shelton Foundation.

The Foundation operates separately from the College to provide much needed support and student scholarships. The Shelton State Community College Foundation is guided by a Board of Directors comprised of community leaders from the West Alabama area. A representative from the Shelton Alumni Association also serves as an active board member.

Since 1984, The Foundation has worked hard to support the college and its initiatives. Since 1990, the Shelton State Community College Foundation has concentrated its fundraising efforts on providing scholarships to deserving students and all proceeds from the Bar-B-Q Bash 2008 will directly fund student scholarships.

Your continued support ensures that dreams will always be fulfilled at Shelton State Community College.

***Please Note: Additional contributions may be received but not listed due to arrival time. These will be identified during the activities of the evening.***
